Re: Complaint on Judicial Misconduct - Malicious Prosecutions / conduct

There has been irritating conduct stemming from the mass of people holding office in our Texas Judiciary Communities, purposely engaging in Malicious Prosecutions and Depriving Mr. Michael Nelson of Life and Liberty / Liberties to enjoy the Fundamentals of enforcing civil liberties and Federal Protections as well..... I am indigent, needing Defense.

I wrote To The U.S. District Courts Clerk, addressing, specifically, Complaints against DART Transit Police (Dallas Area Rapid Transit Police Department) requesting 42 U.S.C 1983 excessive use of Force - Police Brutality Complaint Forms, charging the Arresting officers in their official capacity!

I never mentioned I was suing Dallas County Jail, amended case No 3:24-cv-2724-S/BW, A nominal entity that isn't a proper defendant under 1983 claims, therefore I respectfully ask the District Clerks office for a change of venue to The United States Supreme Court or Properly respect my Equal protections and rights to change the proper Entity and officers that injured me, Dart Transit Police and its Management.

Sincerely, Mr. Nelson.

P.S.

7). Although Dallas, County, Texas can be sued in an Amended Complaint against DART (Dallas Area Rapid Transit Police) Transit Police officers and agents in ~~the~~ their individual official capacity, the plaintiff shall enjoy the right to enforce and bring a civil Rights action against its servant Political agency / department because it is a separate and distinct active/operating Legal agency in existence.

2). A Governmental agency cannot engage in "Litigation" unless the Department or Political entity has taken explicit steps to grant the servant agency (Frank Crowley) equal authority. "It Has!"

3) Noting that 42 U.S.C. 1983 suits are the proper vehicle to Attack unconstitutional conditions of confinement and prison Procedures, Officer Misconduct - Excessive Force under VIII Amendment Cruel and Unusual Punishment - Judicial Misconduct - by Federal Law and Equal Protections and Due Process of Law, (fourteenth Amendment) XIV Amendment, I've asked could Texas Judiciary Committee and Justices Respect Me as a person, civilian, United States Citizen - constituent and Correct this Threat Against Me and Arrest the subjects harming Me and reserve victims Compensation, punitive Damages / Relief?

4) Could The U.S. District Courts Please send me the proper forms of writ of Habeas Corpus Petitions, the proper vehicle to seek Release from Custody - unlawfull detainers. The Courts fails to Furnish Police Reports, Evidence, victim statements, etc., and Denied examining trial, ~~has~~ Proof That my fourth, Fifth, Sixth and fourteenth Amendment ~~plus~~ our Fourth Amendment rights are Violated.
